## Support Our Nurse

Midwives (a certified trained nurse who provides care + delivery of pregnant women + teenagers)

We have a right to choose our own Type of health Care. Stop the Board of Medical Examiners from enforcing rules which would limit or totally exclude care for our teenagers, poor and minority Women.

Our rights are being taken from us. Stand up and Fight Back!!

Thursday Oct. 16, 1980

11:00 AM to 1:00 PM

1100 Raymond Blvd. Nwk.
